Large Format Porcelain Panels

Specials Catalogue 2024

We have a warehouse relocation on the horizon and we would like to use this opportunity to present a range of our fabulous ex stock porcelain panel materials.

These panels will be sold down at exceptional rates so that we do not have to relocate them!

Specials consist of:

- Ex project stock
- End of lines or batches
- Discontinued colours
- Stock with minor damage to a corner (seconds)

Porcelain panels are scratch, etch and stain resistant. They are sourced from premium Italian suppliers, so are ideal for use in the following applications:

- Kitchen splashbacks
- Reception counter fronts
- Bathroom floor and wall overlays
- Multi unit developments
- Benchtops or vanity tops
- Furniture applications

Samples can be provided on request, subject to availability. Material viewings at our warehouse can be facilitated by appointment.

Per panel pricing as follows:

- 3mm/6mm stock: \$400.00 +GST per panel
- 10mm stock: \$600.00 +GST per panel
- 12mm stock: \$700.00 +GST per panel

Terms:

Products are available while stocks last or until the time our warehouse relocation is completed.

All materials are sold as full panels ex our Auckland airport warehouse.

Local delivery around greater Auckland can be facilitated by Material Space at a flat rate of \$150 +GST per delivery.

Full payment is required prior to materials being dispatched from our warehouse.

All images are indicative only (batching variations may apply).

All materials are sold 'as is' and a NO return policy applies for all specials materials featured in this catalogue.

Deliveries outside of Auckland can be facilitated (POA).
